1997

**DON SULLIVAN 10**

**Paul Harris, runner-up in 1996, always looked the likely runner in this year's Don Sullivan 10. Before the race he expressed doubts about being in shape to threaten the course record, but he looked very easy in winning by well over 2 minutes. Simon Pritchard improved two places to finish second. Harris also led his club Bicester to the team prize.**

**Pippa Mason, who has now moved down to Surrey, took the women's title from last year's winner and Witney team-mate, Sally Pitts.**
